

In December of 2008, we switched over to Panes Plus, Inc. We have been very happy with the service they have provided us with since Day 1. The employees of Panes Plus conduct their selves in a professional manner from the moment they come onto our facility until the time they leave. We currently have our windows cleaned on a quarterly schedule. Pricing with Panes Plus is reasonable compared to other companies around Jacksonville and the St Augustine area. They are very respectful of Stellar employees working and maintain a professional work environment. The customer service we have received from Panes Plus has been exceptional and keeps Stellar a very satisfied company! Thank you for all of your hard work to keep our building looking beautiful throughout the year.

Thank you once again,
